

First Contact Physiotherapy Service

Who is this service for?

Anyone aged 18+ and registered with a Stockport GP who is suffering from joint or muscle pain and would like access to a physio without having to make an appointment with their doctor first.

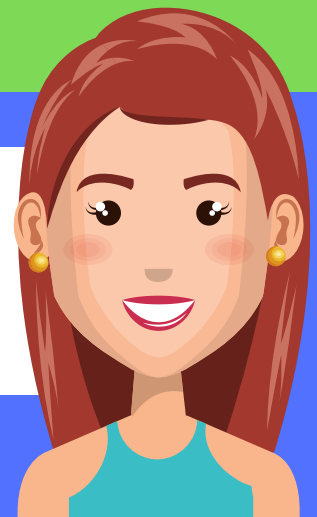

What is the service on offer?

The advanced practitioner physio will assess you, discuss your treatment options and also give you expert advice on how best to manage your condition. If required they can then refer you for further tests or on to other specialist services.

How do I access the service?

To book an appointment with your First Contact Physiotherapist speak to your GP reception.
